Subject: Grants for Manuscript Proofreading and Publication Reward
For Graduate Students

Faculty of Associated Medical Sciences, Chiang Mai University strives to empower social sustainability in healthcare towards creating cutting-edge research and innovations. We are committed to nurturing our graduate students with high quality education and advanced research skills based on international standards. We provide funding from inception to publication of a research study. All graduate students will receive some seed budget for their research project and can reimburse for the English proofreading fee. Further, the students can apply for an additional reward if the manuscript is accepted for publication in Quartile 1 (Q1) or Quartile 2 (Q2) journals.

1. Objective
